

Promoting Safety and Independence at Home

Quality home care  
options to help  
you safely thrive  
at home.

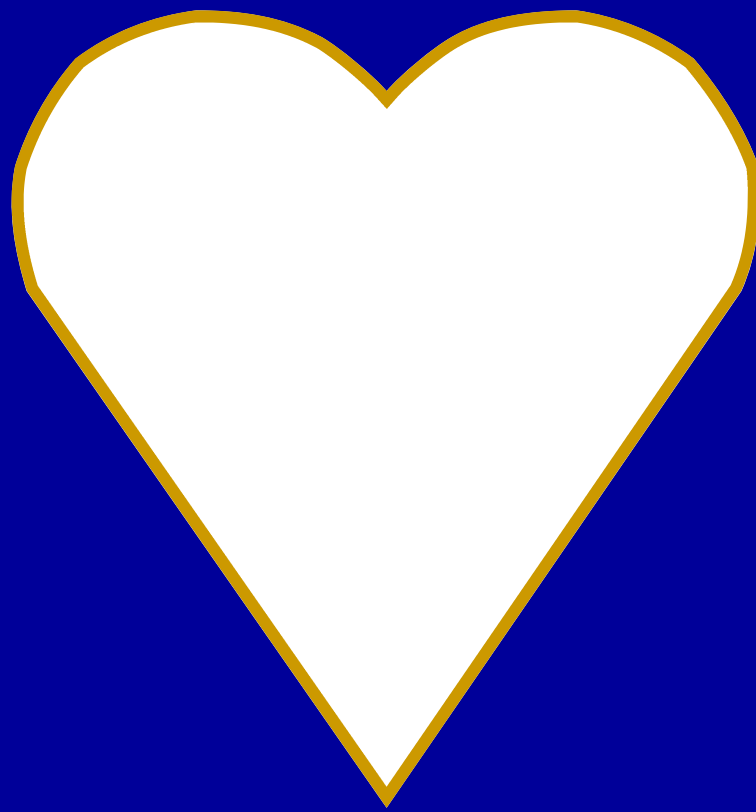

At AME Home Care, we offer client-directed care with a focus on dignity and an emphasis on safety. This is accomplished through providing dependable and caring personal home care services to disabled and elderly individuals.

Our seasoned, carefully selected caregivers blend seamlessly into your daily life, respectfully supporting your daily routines and environment. We specialize in integrating the right, reliable caregiver into your loved one's life.

Our focus is on supporting your loved one's level of independence through detailed assessments, comprehensive care plans and ongoing follow-up.
