

You can put your mind at ease. You don't have to know everything about home care, all you have to do is call. We will patiently guide you through the process, and be available to you every step of the way.

We know the questions you should ask a reputable home care company, we will answer those questions and any others you may have. In addition, our continued industry research ensures our services are always comparably priced so you get the quality care you need at a price you can afford.

Use your Medicaid Waiver/Community First Choice benefit, your Long Term Care policy, your Veterans home care benefit or pay privately. We will help you every step of the way.

Call us today to learn more and to get started with seamless, independence-focused care.

Your Care

A detailed intake and specialized
Plan of Care will be taken and
developed prior to the start of
care. Regular reevaluations
throughout your care will ensure
you are always receiving the
personal care that best suits your
current needs.

Your care will be closely
supervised and monitored by our
own **Certified Registered Nurse
Practitioner (CRNP)** at no
additional cost.

Following a thorough screening
process and background checks,
your care will be provided by only
the most talented and experienced
caregivers in your area.

A knowledgeable
AME Home Care Associate
is available to you
24 hours a day, 7 days a week.
